

Will-Grundy Transition Planning Committee

Presents

Success After High School

Twelfth Annual Transition Conference

FOR ALL LEARNERS

Highlighting services for individuals with special needs & their families. Exhibits & sessions will educate you about the three R's after high school:

Rights, Responsibilities & Resources

Saturday, March 20, 2010

9:00 A.M. – 12:30 P.M.

Joliet Junior College

(Registration 8:30 A.M. to 9:00 A.M.)

www.transitionplan.org

You will be able to find answers to questions such as:

- What are the services available for individuals with special needs after leaving high school?
- What services are available at college?
- What should I know about the IEP/IAP process, 504 plan and the laws that protect individuals with disabilities?
- Will my child need to live with me forever?
- What vocational training is available for individuals that need more support after high school?
- Is transportation available for the non-driver?
- How does high school connect to a future career/job and post secondary education?
- How do I prepare for a job interview and a job?

Attendees will hear from a variety of presentations and will be able to visit with exhibitors. The event will also include round table sessions for parents, students, educators and service providers.

To register and to view a full list of presentations and exhibitors, please visit:
