

# JOLIET TOWNSHIP HIGH SCHOOL

## 2020 - 2021 SCHOOL YEAR

### BLENDDED LEARNING SCHEDULE

Below is the Blended Learning in-person schedule for a typical 5-day school week. The in-person cohort attendance schedule is modified for weeks with holidays, teacher institute days, remote planning days for staff, and at the beginning and end of each semester. The entire semester schedule by cohort will be added to the website calendar at [www.jths.org](http://www.jths.org).

For both remote and in-person instruction, students will participate in a structured class schedule each day where teachers take attendance each class period.

may be available  
1:00 pm-2:55 pm

Students participate in remote learning on the days they are not scheduled to attend their in-person cohort as shown below. The 30 minute online classes occurring most Fridays and Mondays have been scheduled to ensure all blended learning students have at least three days of contact with their teacher (2 online and 1 in-person). We believe this contact is essential to the success of students. These shortened remote learning classes will allow all students contact with their teacher and all other students within the class. These days are shortened to ensure staff have access to ongoing professional development to support them in teaching within this new environment. When teachers are not scheduled for professional development, they will be available through office hours and for tutoring students as needed.
