

# Welcome Back Tigers!

July 15, 2021

Dear Tiger Families!

Joliet West faculty and staff have been busy planning to welcome back all students on August 18, 2021. This year we are pleased to announce our Welcome Back Tigers event is scheduled for the week of August 2, 2021. Please use the table below to check your student's assigned date and time according to their last name. The event will be held in our **Field House located at Door 14**. Along with this letter, we have enclosed a checklist for your review. Please read through the checklist and bring it with you on your designated day. It is highly recommended that students attend the Welcome Back Tigers event.

Families with multiple students can attend the event together. It is important that students attend on their designated date and time to help bring students back safely on the first day of school scheduled for August 18, 2021. Students will be able to pick up their schedules, bus schedules if they qualify for transportation, and much more!

## Seniors

Seniors who do not turn in their state-mandated physical examination and immunization record with proof of the Meningococcal Conjugate vaccine **will not be able to pick up their student schedule, receive a parking permit, or attend school on August 18, 2021**. Appointment cards will not be accepted. Students that are compliant with immunizations WILL be able to proceed through the Welcome Back Tiger stations.

## Freshmen

Freshmen who do not turn in their state-mandated physical examination and immunization record with proof of immunizations **will not be able to pick up their student schedule or attend school on August 18, 2021**.
